

The Life Core

Things I Don't Know

- Spiritual life is unclear and confusing
- Parents don't know how to care for little ones
- Will new believers instinctively know what to do?
- They have desire but weakness and lack of knowledge cripple them

Common Problems:
Morality problems
(Rom 2:14-15)
Ignorant of God problems
(Rom 1:19-20)

The Life Core

Jesus' Instruction

- "Teaching them to observe all that I commanded you...." (Matthew 28:19).
- More people teaching discipleship but still confusing
- Different kind of learning
 - (1) More easily ignored
 - (2) Unclear (unless properly taught)
 - (3) Seemingly less relevant

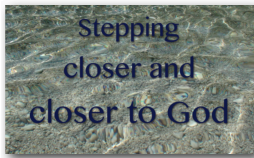

Renewal in the mind
(Eph 4:23)

"And put on the new self, which in the likeness of God has been created in righteousness and holiness of the truth" (Ephesians 4:24).

The Life Core

Power of Truths (1 John 2:12-14)

- Simple to learn

- With this truth He welcomes us deeper into the water!

The Life Core

From a Training Perspective

- In this section teach how the this growth pattern can be utilized in educational and church institutions.
- The chart, lit. the dynamics behind the chart, become an analysis tool to use.
- Each teacher should desire for his/her students to grow to their fullness in Christ.

The Life Core

Our Lessons

- Discipleship describes the learning that happens when a more mature believer assists a younger one to learn essential things about Jesus that they may know how to live out strong, Christ-like lives.
- The challenge of Christian training, formal or informal, is to have the believer actually experience godly transformation.
- The lack of focus on measurable knowledge makes it difficult to evaluate quantitative learning.
- The life transformation that takes place when getting to know God through Christ is exciting; the teacher is able to see change in the student.

The Life Core

Application

- ➡ Give an example of when you learned about something but lacked the conviction to put it into action.
- ➡ Would you say that currently you are eager to grow spiritually? Why or why not?
- ➡ Have you ever disciplined someone? Who? When?
