

(8) Finding Hope

Points of Reflection

Video #8: [View/download the video lesson](#)

- ☐ Have you seen leaders who are not as spiritually mature as they should be? (If you are one of these, include yourself!) Use initials to note any people that come to your mind.
 - Please identify the needs or problems that develop with immature leaders.
 - While thinking of the three stages of spiritual life, what do these individuals need the most? (Try to think specifically with each need/problem in mind.)

- ☐ When does God move us on to another arena for spiritual training?
 - Why?

- ☐ List one or two of your greatest struggles right now.

- Include how long the battle has been and what God wants you to be able to do (or be).
- Ask Him to do the miraculous in your life to give you this victory for His glory.

- ☐ List at least five of your relationships, including different family and friends. Identify one way how each relationship could be improved.
