

(9) Growing in Christ

Points of Reflection

Video #9: [View/download the video lesson](#)

- ☐ Name a few private things you do not want others to know about your life.

- Do you think God is aware of these things? Have you thought about your life from His perspective?
 - Would you say you are resistant to His work in your life? Explain.

- ☐ Are you at the spiritual 'teen' level? If so, for how long?
- ☐ Are you hopeless about growing? If so, explain.

- Describe a time when you were hopeless about some area of spiritual development. Please describe.

- ☐ Thank the Lord for the truth about His care for you. Respond to Him in prayer, telling Him your need for Him to help you grow (even if you have done this before!). It's a good discipline to write some of your prayers down. Try writing down this prayer.
