Video #31: [View/download the video lesson](#)

- ☐ What is the huge problem mentioned?

- ☐ In your next days of quiet times, closely observe your heart as to whether these three statements are true for you. They help you gauge your level of desire.
 - “I want God to speak to me today.”
 - “I believe if God does not speak to me, then I will somehow not rightly conduct my life this day.”
 - “I desperately need Him to speak His truth to me this hour.”

- ☐ In your coming week's personal devotion time, note what words, phrases, or thoughts stand out to you. Be attentive to how God highlighted them. Prayerfully reflect on each one as if God is trying to say something to you.
